# SOCIOLOGY

*The sociology degree provides majors with an understanding of how social structures and processes shape social life. The major explores social problems, culture, interaction, inequality, social institutions, and diversity. Majors receive strong foundations in writing, research, theory, and social policy.*

## Degree Outcomes

- Students gain expertise comprehending social structure and social change.
- Graduates are candidates for public sector positions with health, social service, criminal justice, and corrections agencies; private sector positions in human resources, research, public relations, and more.
- Graduates work in law enforcement in Fairfax County, local federal probation, and the Guilford County Public Defender's Office; for nonprofit organizations including Triangle Family Services; and in corporate America, including JPMorgan Chase.
- Graduates have earned advanced degrees from Northwestern University, Purdue, University of Chicago, Vanderbilt, and N.C. State.
- Graduates have attended law school at City University of New York, Elon, The University of North Carolina at Charlotte, and Wake Forest.

## The Student Experience
